'Supporting your local community'

THE PRESIDENT'S BAT

Welcome to the last Hawk Talk for the 2012/2013 season. We have had another successful season on and off the field. Friday night is proving more and more popular with parents and players. This year Brisbane North introduced the Open Division for our U15 – U17 players and we also saw the introduction of two split competitions, before and after Xmas for all grades.

Our Open Division Three Hawks won their Pre Xmas Premiership and the U13 Hawks won their Post Xmas competition. Congratulations to Alex Dale and Michael Keates and their respective teams.

At this time of the year there are many people to thank as clubs of our size do not just happen. To all the people on the committee and their partners/spouses, I thank you for the countless hours of dedicated service. Dianne Cook, our Statistician, has been very busy this past week preparing all the trophies and the list of recipients for Sunday's presentation. Eddie Mills has been tireless in her efforts with the Hawk Talk and also in her role as Warehouse Registrar. I would like to offer a special thank you to the members of the Frazer, Chaffey and Mills families in particular for their help with our Night Cricket. It has been extremely successful. Kathy Casey has continued to do all those unseen tasks with the club and we would be lost without her expertise in many areas of the club administration. Darren Morrall has prepared the pitches for our Friday night games and has also maintained much of the surrounds of the club buildings. Thank you one and all.

A special thanks also to all our coaches and managers who have put in the hard yards on a weekly basis. Many of these people have been at the club for five or six years or more and their contribution has been invaluable. The fact that these coaches keep coming back says a lot for us as a club and is responsible for the stability and confidence that you as parents have in the care that they exercise over your children.

To all the parents who have assisted with scoring and generally organising the boys on Saturday morning, I extend a huge thank you. As with last year, we have been hampered by bad weather. We had two wholesale cancellations and several weekends when only a small number of teams played. Hopefully our network of communication in the club has helped out in this regard.

I would also like to thank all our sponsors for their ongoing contributions to Albany Creek Cricket Club. Our two major sponsors, Customized Traffic Management and LJ Hooker of Albany Creek have certainly allowed us to keep our fees down and thus keep more children on the fields. Thanks for your support.

I would like to congratulate all those players who are receiving trophies today. They wouldn't have received those awards unless their team mates took the catches or stayed with them while they were batting. You are all winners. Well done! Thanks to the players for the way you played the games throughout the season.

Mike Whitney has taken on the role of Junior Warehouse Coordinator again for the upcoming Winter Cricket season. At this stage we have four junior teams playing. They will join the eight senior teams playing in the warehouse competitions. Most of the senior teams are comprised of ex-junior players from the Hawks. There are also several fathers who have taken the whites out of the cupboard.

Over the summer we had three senior teams play in the Warehouse competition. The B1 and B3 teams both made it to the finals but unfortunately just fell short.

I wish you all many pleasant sleep-ins on Saturday mornings and look forward to seeing you all next summer.

Steve Casey

HAWK TALK

I would like to thank all the teams that again supported our newsletter this season. It has been a pleasure to report all the milestones and achievements of individual players and all teams, congratulations on a well played season.

Best wishes to the players and families that are leaving us for other Winter sports, I hope that you will return again next Summer. To all those players and families that will continue on in the Winter Warehouse competitions, good luck and keep those stories coming.

HOW ARE THE WINNERS OF TEAM TROPHIES DETERMINED??

We like to remind everyone at the start of the season about how the trophy winners are determined for the team awards. So here's the drum:

At the end of the season, there are three trophies awarded for each team:

1. Batting Award
2. Bowling Award
3. Coaches Award

In the past there has been some confusion as to how the winners of these trophies are determined. Set out below are the basic guidelines used to determine the winners:

1. The Batting Award is always decided first.

The best average is used to determine the winner in senior grades [U11 – OPEN] while the junior grades [U8 – U10] are determined by the best aggregate total {unless there is a draw, in which case averages will be used to determine the winner}. For senior grades, this player MUST have played in 50% or more of the team matches and be in the top 50% of run scorers.

2. The Bowling Award is decided next. [The winner of the Batting Award is not eligible for this award.]

Again, the best average is used to determine the winner in senior grades [U11 – OPEN] while the junior grades [U8 – U10] are determined by the best aggregate total {unless there is a draw, in which case averages will be used to determine the winner}. For senior grades, this player MUST have played in 50% or more of the team matches and be in the top 50% of wicket takers.

3. The last award decided is the Coaches Award. [The winners of the Batting or Bowling Award are not eligible for this award.]

This award is decided by the Coach (and may be given for any reason what so ever).

INDIVIDUAL TROPHIES!!

There are also lots of other trophies award for certain milestones and events. For example:

- ◆ Hat Tricks
- ◆ 5 or more Wickets in an Innings (U11- OPEN)
- ◆ 4 x 50 runs in an innings (U11- OPEN)
- ◆ Centuries
- ◆ 50 Wickets in junior (U8- U10) or senior (U11- OPEN) age group
- ◆ 1,000 Runs in junior (U8- U10) or senior (U11- OPEN) age group
- ◆ Cricketer of the Year (U11- OPEN)
- ◆ Half-Season Cricketer of the Year (U11- OPEN)

Significant milestones and events are also tracked in our Honour Board. This is a wonderful living file that records an archive of our clubs history, including the top 10 junior and senior batsmen and bowlers for the season.

If you haven't seen it and are interested in receiving a copy of the file, please send an email to the club statistician on acc.stats@albanycreekcricketclub.com.

Important Notice to Parents: Team Placement Policy

We do not grade players at Albany Creek. It is the policy of club to **try** to place players according to the individual requests of the player. If no special requests are made, the player will be placed in the appropriate age group.

To make it easier for existing players to register for the next season, we mail out registration forms in mid-to-late July each year. The forms are pre-filled with player details and there is always a Special Requests line on the form so that parents or players can make requests for where they would like their son or daughter placed in the coming season, for example:

- *'same team as last season'*
- *'with Matthew Hayden'*
- *'with players from All Saints school'*.

The mail package also includes details of when the sign-on is taking place etc. You don't have to physically come down to the club to register - you can mail the forms to the club's postal address (PO Box 82, Albany Creek) with payment.

Towards the end of each season, we publish the dates for the sign-on for the next season in our Hawk Talk newsletter. We also put a reminder in there to ask parents to advise us if they have or will be moving in the off-season so that we can alter our database, thus ensuring the mail out will go to the correct address.

As we grow bigger each year, the administrative task of organising the teams becomes more difficult. At the beginning of each season, our Registrar invests a huge amount of time reviewing all the requests and allocating players to teams. This starts on sign-on weekend and continues over the next several weeks, with new registrations and late registrations coming in right up until (and sometimes after) the first game of the season.

The process of sorting the teams is long and involved and once started, it is very difficult to move players out of one team into another. We also have to work around deadlines for nominating teams to Brisbane North.

We now have over 350 players to try to keep happy, therefore if registrations are not received on the sign-on weekend, or the Registrar is not advised by the parent of their intent to return and their requested playing arrangements, special requests will **only** be met if there is room in the nominated team.

From: The Albany Creek Cricket Club Committee

GENERAL ADMINISTRATION

Any Cricket problems? All Committee phone numbers are on page one of the newsletter.

You have all had time to settle in and see how your team is going. Are there any problems? Please don't think now the season has got underway that you are on your own. Phone or see any one of the Committee or if a parent, please approach your coach and we will try and fix what we can.

Helmet policy

It is **Club policy** that each batsman **MUST** wear a Safety Helmet when batting. Should a parent not wish for a player to wear a helmet, then a signed written advice must be forwarded to that player's coach that absolves the Club from any possible damages claim from injuries received whilst playing or training, caused by not wearing a helmet. The form, to be completed by each parent, is available from your Coach and/or Manager. If you choose to sign an indemnity, you need to ensure that you are present at the game when your child is batting.

Also, a new rule has been introduced by **Brisbane North** that states that a wicket keeper **MUST** wear a helmet if they are keeping up to the stumps regardless of the style of bowling. Signing the above indemnity does not override this rule.

Safety – Hot & Wet

It looks like this summer may be Hot, so please ensure you have the players' interests at heart when you are deciding whether they should leave the field for a spell or not. Remember that the player safety is paramount. Make certain the players use sunscreen and wear a wide brimmed hat and take regular drink breaks. If it is too slippery or dangerous to play, please come off the oval and wait for a while, or if necessary, abandon the game. Don't put the players at risk.

Batting Gloves and Protectors

Zone rules 2.2 (d), (e), (f), (g) & (h) require that each player must wear protection when batting – helmets, pads and gloves are available in each kit but players must have their own personal protector.

Coach Responsibilities

The Coach runs the team. He or she is responsible for preparation of the players and control during the matches. Batting and bowling orders are the coaches' responsibility. It is recommended that from Under 13, a captain is appointed to run the team, particularly when fielding. The Club expects ALL coaches to have the Level O certificate or the BNJCA basic level. It is the coach's responsibility to get an indemnity signed by the parent/guardian when a player chooses not to wear a helmet.

Manager Responsibilities

The Manager assists the coach with team administration. He or she should ensure that rostered parents are available for Canteen duty and to act as Umpires, Scorers, assisting players getting ready etc. Managers are responsible for publication and the recording of team results, ensuring abstracts are submitted to the relevant statistician and to ensure the Player of the Match nomination form (U11 upwards) is sent to Brisbane North Junior Cricket Association at PO Box 178 Zillmere 4034.

Committee Vacancies for 2013-2014

Junior Registrar

We are seeking a parent to fill the Junior Registrar's position that is currently vacant and temporarily taken care off by Kathy Casey until the end of this season.

The Registrar's Role involves the maintenance of the club's junior player database, allocation of registered players to suitable teams and the reconciliation of registration payments for the junior club.

The Registrar prepares the club's junior team nominations for submission to Brisbane North.

The Registrar will be provided with the club's laptop computer.

Junior Statistician

The fabulous Di Cook is retiring from the Statistician Role at the end of this season and we are in need of a parent to fill this position.

The Statistician's Role involves the maintenance of player and team statistics throughout the season. The Statistician oversees the accuracy and timely submission of match results to Brisbane North.

The Statistician maintains the club's database of player achievements and organises the end of season presentation awards.

Property Officer

The revolutionary Bagman Paul de Zubicary is retiring from the Property Officer's Role and we are seeking a parent to fill this position.

The Property Officer's role includes the maintenance of all team kits and equipment inventory management. The Property Officer issues the team kits at commencement of every season, collects the kits at season end and keeps a record of all equipment issues. The property officer is responsible for the safe storage of all unused equipment.

Please contact Steve Casey to nominate for the above positions and if you require further information.

Phone: 3264 2163 or kcfamily@bigpond.com.au

HELPERS NEEDED

We are hoping to find several volunteers amongst our club families that are willing to give up some time to help with the many tasks that ensure the smooth running of the club every season.

Currently many of our committee members are carrying out more than their fair share of jobs to keep the club operating and maintaining the facilities every week for both Summer and Winter Seasons. Those committee members have been with the club for a long time and most have children that are no longer playing Junior cricket or are in their final years of competing in Junior Grades. We will lose 3 valued committee members at the end of this season and that will make it that much harder for the remaining team to maintain the club to the standards that all players and families are used to, whilst juggling their personal jobs and families. Our human resources are stretched extremely thin at the moment and we are counting on parents to help out.

The volunteers we are hoping to find are people who enjoy seeing happy children play cricket on the weekends and understand that it requires a great deal of effort and dedication to make this possible for every game and every season.

Members can help out in any way they can, some examples are: mowing the pitches, running the canteen on Friday nights, cleaning the facilities, regular working bees to maintain the club's facilities and grounds, ensuring that rubbish is picked up after games and training.

Players from the Open Teams may want to assist the coaches of the Under 8 & 9 teams with umpiring on Friday nights or may even want to try their skills at coaching.

Volunteers are not required to be there every week, but being there when needed will make a big difference.

Please do not think that you don't have much to offer or time to spare, many hands make any task easier. So please get involved and help out.

Should you wish to take on more responsibilities, check out the job descriptions for the current committee vacancies on the previous page and if you are interested email us your nomination form (included in this newsletter).

If you are interested please send us an email and let us know how you would like to give us a hand:

Throughout the season, I prepare almost 400 certificates, so in the rush of the moment, I'm bound to get some details wrong. Please let me know if there is a problem with a certificate and I'll re-issue it with the correct details. I know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

GAME REPORT: First game of the season on a damp Ferny reserve. Boys came together well given that we were short. Solid opening from David and Luke set a platform for the middle order to get amongst them, especially Isaac and Hayden. With a defendable target in hand, our bowlers hit the mark supported by some great ground fielding. Well done to Jack and Ryan who opened the bowling and got us on the front foot. Controlled spells from Alex, Nick, and Si limited their opportunities – well done to all boys on a good win.

	Harry	1/4	
Fielding: A great catch each to Harry and Lincoln and some terrific glove work by Michael behind the stumps.			
GAME REPORT: First game back and the Hawks off to a good win to welcome 4 new players to the team. Everyone chipped in with a few runs and almost all the boys took a wicket. Some great team work in the field to keep Marist to a low score then good positive batting to run down the total with plenty of wickets and a couple of overs to spare. Hopefully the start of a good year for the Under 13 Hawks.

<p>GAME REPORT: Fantastic game this weekend from all the boys! Very exciting from a coach to see the specific points worked on at training pay off on game day. The boys bowled very tight with a focus on off stump – Cooper & Josh picked up the wickets but without the group effort they would have been in vain. With the bat the team concentrated on putting away the big hits and looked for lots of singles and two's, this meant less wickets and more runs all round. Great enthusiasm in the field and a top catch from Jye kept Ferny on their toes all day. Top effort boys keep it up!!</p>

Fielding: The boys fielded well to a strong batting team. The pitch was very wet on the second day which was a challenge for the boys. Two good run outs to Dave with Josh			
GAME REPORT: Too many wides bowled by our boys and not enough runs after the 50 overs. Wickets going to David (2), Eli (2), Nick (1), Jarod (1) and Harrison (1). A solid batting partnership between Nick and Josh scoring 59 between them. A big eagle hawk welcome to Brandon at the start of the year. This was his first game and has settled in well. Hoping to get some training in this week with all this rain around. A very big thank you to Dave Anderson (Nick's Dad) for taking over the coaching for the rest of this season after James was unable to continue to coach. The boys really appreciate all your skills. Thanks coach.

GAME REPORT: First two day game of 2013 and a solid outright win for the Hawks against Marist. After bowling them out in 27 overs on day one, we got to bat and were able to declare early on day 2. It was tight on time but the boys played well to finish Marist off a second time and score a quick 29 to seal the win. Our bowlers really did the damage with Damon taking 7/15 and Matt 5/9 over the two innings. A great team effort with every-one playing their role.

Fielding: Great team run out, screaming catch by Bradley			
GAME REPORT: After being run around the park the previous week by a player who used that game as a warm up to grade cricket, we turned up this week against Ferry Red hoping that we would be playing against players who were at least similar in ability and gladly this was the case. Unfortunately we struggled to make inroads early and we made their openers look good with sloppy fielding and consistent leg side bowling costing us millions of runs near the short boundaries. Once we get rid of the openers we normally do ok and this was the case again and we ended up bowling them out for 211 which in context of the game was excellent considering some of the boundaries were as long as the Aspley ten pin bowling lanes. We saw some of the best bowling in 3 years in the second half of the innings in particular Josh who bowled beautifully, just missing a hat trick in the process. Tom Lindenmayer was superb, bowling 4 overs for 4 runs and had beautiful control all day. James also bowled the best I've seen in ages and fully deserved his wicket. Special mention to new member of the U14 Hawks family Bradley who took an absolute screamer which brought the house down and my heart rate up. Chasing the 211, we easily mowed down the total ending up with 252 with Swanny getting 67, Austin 41 and Tom M and Connor getting in the 20's. In the 2 nd innings we had Ferry in all sorts of bother at 7-94 and with just a little bit longer we would have secured our first ever outright win. Josh again bowled beautifully with 3-8 and again the fielding backed up the improved team bowling. Well done guys, it was a pleasure to watch this game.

Fielding: Great ground fielding from all. Casey fantastic stumping off Luke's tweakers.			
GAME REPORT: The first day of this match was washed out, resulting in the game becoming a one dayer. After sending the opposition in, some very tight bowling made scoring difficult. David's and Ryan's opening spells were excellent and backed up by some good fielding, we managed to keep them to 71. Great catches from Luke and Ryan and Casey's stumping were highlights in the field. With a gettable 72 runs our target, our batting started cautiously and without risk. We managed to grind out the target with a couple of overs to spare. Good not out knocks from Isaac, Nick, Hayden, Brandon and Luke. Well done boys!

Fielding: Catches to Alec Rohdman, Mitchell Townsend, Harrison Chaffey, Alec Frazer, Dominic Barrett			
GAME REPORT: Not a great game for the Falcon Hawks this round. We batted first and really didn't put enough runs on the board. We left a few too many runs on the field and didn't handle the turf wicket as well as we should have. At the end of day 1 Valley's were 1/27 requiring another 101 to get past our score, so we were still in the frame. Day 2 saw us start late due to rain and also have a rain delay. We took some early wickets but the 6 th wicket partnership by Valley was very good and took the game away from us. So better batting and some taken missed chances could have seen the result easily go the other way.

<p>GAME REPORT: A great finish to a rollercoaster ride of a game. Losing the toss sent the boys into bat on a saturated pitch. Wickets fell quickly but good innings from Shane, Nathan and Ben gave an acceptable target. The pitch dried out favouring Marist but the Hawks then lifted their bowling and fielding efforts to get the first innings win. Highlights were exceptional bowling from Nathan, Zoheb and Danny with a great run out from Zoheb touching the ball from a straight shot before it hit the bowling end stumps. Precision bowling delivered a 5 wicket haul for Nathan. Second innings objective was quick runs with Shane and Conor making a good start before William and Nathan got the team to a respectable target. With only an hour and a half left in the game once again the Hawks bowling and fielding was exceptional. Nathan and Zoheb gave another display of precision bowling with Nathan taking another 5 wickets with Zoheb finishing the game with 3 wickets. A special mention to Sam taking 4 wickets and Danny 3 wickets. The second fielding innings was also memorable for freakish catches with the best from William closely followed by Zoheb and Shane with 2 catches. It was true team effort and while some players got several mentions above all the players contributed to the outright win.</p>

<p>Fielding: 5 fielding wickets to Jye Stevens, with 4 catches and 1 runout. 2 catches to Doug Sherwood. 1 catch to Jonny Ryan. 1 runout each to Dan Matheson and Deklan Fairlie.</p>		
<p>GAME REPORT: It was beautiful weather for cricket, hopefully will get a few more of those before season's end. We played a strong team today and we rose to the occasion with some great individual efforts, as can be seen above. Of particular note was Deklan who batted really well for his 33 and then backed up with some top bowling. Dan top scored with 35 including a '6'. Jonny had a 3 wicket maiden (so close to a hat-trick) and Harrison, who's steady and consistent bowling has been improving through the season, had his efforts rewarded with 4/34. And then there's Jye, who not only bowled 3/30 but also got 4 catches and a runout. It was an action packed game and great to watch. With the similar number of wickets lost between the two teams, in the end, the result came down to top batting performances by a couple of Valleys players to win the game. Everyone in the team is to be congratulated for their efforts today, not just for results, but how it was played. The support and encouragement through the game was fantastic and did their Albany Creek club and their parents proud.</p>

GAME REPORT: After a good spell of bowling by the Black Hawks, there was no attempt to chase down the total set by the Green Hawks due to a wet wicket.

Bowling:	RYAN	3/9 HAT-TRICK	
	Will	1/3	
GAME REPORT: This week saw the White Hawks brave the rain to record their best ever fielding result. We were able to get 11 dismissals. In 1 over we took 5 wickets which included a great catch from Ziggy, run outs from Alec and Will, but the best result was a HAT-TRICK to RYAN! It went bowled, caught (Ziggy you star) and bowled! Wow Wee! There was also a first for Will because this week was the first time he bowled an over with zero wides! Conor returned from injury to help boost the batting. The White Hawks did find batting second very tough in the wet conditions, but the effort was superb all-round!

Fielding: Runouts: Liam Mackay (4), Cooper Langley (2), Tim Cook (1), Zachary Neilsen (1). Catches: Tim Cook (2), Cooper Langley (1).		
GAME REPORT: Nail biter of a game that the ended up with the Black Hawks walking away very wet and muddy victors by 2 runs. Every player did something today that helped the team get over the line, all the little things were done well and there was a great improvement in both the field and also their bowling. With a field that resembled a slip and slide the boys played the conditions well, running between wickets was a highlight. Great job boys!

Fielding: Dan Matheson 2 catches; Doug Sherwood 1 catch and 1 runout; Jye Stevens 1 catch and 1 runout; Cooper Bentley 2 catches; Lachlan Milner 1 catch;		
GAME REPORT: We were fortunate to get a game in between showers and the boys were glad for the game. Probably not so impressed were those responsible for the laundry at home (sorry about that). We played a very strong Valleys team today as reflected in the game score but we never gave up trying and continuing to encourage and support each other which was great to see. In the batting, Deklan got a couple of '6's and Nick also got a '6' while batting, helping them to get a very respectable score. In the bowling, Dan did very well with 4/16 and Nick, Lachlan and Cooper also getting 2 wickets each. It was trying times for the fielders with the ground being pretty wet in spots, however everyone worked really hard. Dan and Cooper both took a couple of catches, while Doug and Jye got 1 catch and 1 runout each. Nice work everyone, keep up the great efforts.

GAME REPORT: It was excellent to be back playing again. We batted solidly against a good attack who gave very little away – our running between the wickets continues to be a highlight. Our bowling was really good all night especially Jacob and Ronav. Our fielding was excellent and it was great to see us backing up. Well done boys! Player of the match was Adam Basson who batted beautifully.

GAME REPORT: Can you believe it? The White Hawks have another HAT-TRICK! This time it was ALEC. Hitting the stumps for all 3! Most of the White Hawks boys bowling has improved out of sight. As we are bowling less wides (less free hits) and getting more wickets as a result. Will was able to hit his highest total of the season with a 16 and Conor took a fantastic catch off a skied shot. Ferny White team is a strong all round team and for our boys to not only be competitive but to be able to sneak a win on this occasion was a testament to the effort and improvement the boys have through-

<p>GAME REPORT: A good close game today against a much improved Ferny team. In the batting, Lachlan and Doug led the batting totals with 27 and 23, a great effort. Nick batted well for his 17 and then backed up with excellent bowling figures of 3/15 and 2 catches and 1 runout. Cooper and Harrison also did very well with their bowling with 2 wickets each. Fielding was pretty strong with everyone continuing to try hard and work as a team out on there. Getting so close to the end of the season, it is amazing to see how everyone's skills have improved since the start of the season. You have all worked really hard, well done.</p>

<p>Fielding: A great game as the season is coming to an end. Last week the boys bowled almost all 25 overs in the rain and still took 7 wickets and then finished the innings off today with Valleys batting into their second innings. Accurate bowling with wickets going to Nick (1) Harry (1) David (2) Eli (2) Daniel (2) and Thomas (2). Very tidy fielding with a run out to Daniel and Eli and two great catches to Josh (2) and one to Josiah (1). Plenty of byes were scored when the boys bowled with a very wet and slippery ball. But to finish with a win was a credit to all the team.</p>

<p>GAME REPORT: A good fielding effort day one saw Bald Hills all out and us batting early. Some really good wickets taken with Harry claiming 4 and both Robert and Matt 2 catches each. With the Bat we were slow to get going but Michael 26 not out really troubled their bowlers. Day two we again dismissed them all out for 66, but unfortunately ran out of time to chase down an outright win. A solid first innings win with one game to go. Another big effort next week should see the boys remain undefeated this year.</p>

Fielding: Catches to Luke G, Luke O, Angus and great catch to Jayden, run out to finish the innings to wicketkeeper Luke O. Jayden very unlucky not to get his first hat-trick.			
GAME REPORT: Sent in to bat on a waterlogged outfield and pitch the Falcon Hawks battled hard to be all square after week 1 at 5/65, tight bowling by Jayden (0/0 off 3). On an unusually sunny day in week 2, the Hawks were left with 80 to win 5 wickets in hand, after impressive bowling by Ryan, Luke Gardner with his first wicket, Callum and Angus (2/23) Kyle (1/9 off 5). After losing early wickets on a pitch with inconsistent bounce, including Joel who was really concentrating hard, Seth and Ryan needed 39 to win, 1 wicket in hand. They knuckled down to the task and got the team home with a thrilling 1 run win.

GAME REPORT: Unfortunately another game where we just couldn't catch a break with the weather. Strong opening bowling from Jack and Ryan again got us off to a great start. With wickets continually falling and a clean sheet from Casey behind the stumps, we were rewarded with a low target. Nick and Brandon opened with gusto and were followed by some heavy hitting from our middle order.

GAME REPORT: Day 1 was washed out so the game was played as a one day game in the afternoon on the second Saturday. Some lusty hitting by Harrison McNeilly (77 off 38 balls) with some good support from the rest of the batsman saw us post a very good total off our 26 overs. Ferry batted well and were ahead of us at the first drinks break but with some tight bowling in the middle overs we were able to keep them well short of our score.

GAME REPORT: It had to happen eventually. The team met their match in a fierce bowling display from the Pine Rivers. In the field the Hawks showed their usual high standard but they couldn't carry on the momentum in batting. The high point of the day was a last wicket stand from Matthew and Josiah who held out until close of innings and denied Pine Rivers of an early finish.

<p>GAME REPORT: Our last game of the season was our closest one. Against a team with some good players the managed to keep out some very good bowling from us with only a run out against them. Despite this all the boys were switched on in the field and the bowling was as usual of a very high standard. Ethan bowled very well and with a touch of luck may have had two or three wickets in his last over. Kirran was outstanding in our reply with the bat getting us off to a great start and from there all the boys did their job to gets us the win.</p> <p>Thank you to all the boys for their effort through the season and whilst at this level it is not all about wins and losses, it should be noted that the boys won every game this season a terrific achievement and an indication of their application as well as their skill. <p>GAME REPORT: In what turned out to be a most exciting day it was great to see the friendship shown in the local derby with the eagle hawks. Batting first the Falcon hawks posted a competitive score due to some fine hitting by Ryan, and team batting by Seth, Angus and all the team. After probably the worst fielding performance of the year, the team really left themselves with the massive task of defending 12 runs off the last 6 overs.</p> <p>With tight bowling by Angus (0/2 off 3), Jayden (1/7 off 3), and Ryan, the impossible became the improbable. Jayden showed cricket knowledge and maturity beyond his years, with selfless attitude to change the improbable to the probable. With 3 runs needed off the last ball to win, the Eagle hawks were good enough to score 2 runs to finish the match in a tie – a fitting result for the final game of the season.</p>

Then a good solid batting performance with a few retired not out, ensured most of the boys got a bat and spent sometime in the middle. Albany Creek Vs		3/165
Albany Creek Hawks		126
Batting:	Brendon Morrall	37*
	Luke Joel	27
	Ryan Macnaught	24*
Bowling:	David Memmott	3/15
	Jack Mackellar	3/27
	Luke Joel	1/5
	Alex Daly	1/10
Fielding: Good all round fielding with strong catches from Isaac and excellent ground fielding from Nick and Hayden. Another great effort behind the stumps from Casey.		
GAME REPORT: The last game of the season against our Hawks brothers. Good bowling from all (led by David and Jack), saw us chasing a target of 125. After a good start and strong batting through the top order, we managed to reach our goal and kick on to score a very good total. All of the boys should be congratulated for their efforts during a very disrupted season. Lost days due to weather along with player shortages, has seen the boys face many challenges which they have dealt with in incredible fashion. Many thanks to all of the parents for their help and support for Darren and myself.

OPEN		DIV 1 FALCON HAWKS	
22/03/2013		1st Innings	
Albany Creek Vs		7/93	
Pine Rivers		5/141	
Batting:	Tom Marsden	11*	
	Tom Barrett	12*	
	Harrison McNeilly	19	
Bowling:	Harrison McNeilly	2/23	
	Harrison Chaffey	1/11	
	James Stolz	1/13	
Fielding: A run out to Harrison C, and a catch to Mitchell Townsend.			
<p>GAME REPORT: The final round was a top of the table clash with us needing a big win to unseat the number 1 side Pine Rivers. Alas Pine Rivers were too good and despite some excellent bowling and some resolve in the batting (with two players Retired Not Out and two not out at the end) we couldn't chase down the target. Well played Falcon Hawks and I have enjoyed working with you all this year. Hope to see you all back with the Hawks next year. Thanks to Mitchell Townsend who skippered all year, you did a great job – well done Mitch!</p>

Albany Creek Vs		10/110	
Sandgate Redcliffe Hohns		7/166	
Batting:	Nathan Brown	39*	
	Zoheb Hakim	17	
	William Bowen	13	
Bowling:	Josiah Seeman	3/17	
	Conor Morgan	2/3	
	Lachlan Davidson	1/18	
Fielding: Catches to Shane Vass, Conor Morgan and Daniel Brown			
<p>GAME REPORT: A tough battle to end the season between to the two top sides in the competition. In the end the only difference turned out to be an impressive batting innings from player brought in by the opposition only for this game (it makes us think what would have been the result without him). The fielding innings started well with excellent bowling and fielding restricting the opposition's top order batsmen to low scores. The batting innings started a bit shaky but a solid performance from Nathan (which included an incorrect early out from the other team's umpire that was eventually overturned) and Zoheb restored the team's pride. It brought an end to an excellent season from a talented group of players. Thank you to all the parents for their support throughout the season.</p>
